The Commissioner of Indian Affairs,  
Washington, D.C.

Sir:-

The Census - so far as completed, and herewith in-  
closed - of the Navajo Indians living on and off the  
Eastern Navajo Extension includes only those allotted  
by Special Allotting Agent Mr. Peterson and 132 allot-  
ments made by Special Allotting Agent Kent.

Mr. Peterson has filed with this office Schedules  
of allotments, cards and covers, and plats for all the  
allotments made by him.

Mr. Kent has filed Schedules of Allotments, cards  
and covers, and plats for 132 allotments only.

Mr. Keegan has filed cards and covers for 755 and  
also a family history of allottees, but in no case is  
the sex of children given and in many instances no age  
or number for either adults or children.

In a letter he states that the Triplicate copy of  
Schedules was forwarded to your Office. No plats were  
made.

**DEPARTMENT OF THE INTERIOR,**

Census- **UNITED STATES INDIAN SERVICE,**  
Navajo Indians  
on & off Extension.  
sion.

Mr. Kent has not as yet filed the Schedule of his last allotments, which number about 800, though I presume he will do so as soon as his work on the southern portion of the Extension is completed.

As it is impossible for us to include these, some 1555, Indians until we have something to work from, I am forwarding herewith the census of those whose records we have access to, including 477 on the Extension and 528 off, or a total of 1005.

Very respectfully,

*S. J. Stacher*  
Superintendent.

Circular 448  
Transmitting  
Census.

DEPARTMENT OF THE INTERIOR  
UNITED STATES INDIAN SERVICE

Pueblo Bonito Indian School,  
Thoreau, New Mexico,  
July 28, 1910.

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I have the honor to transmit herewith the census of the Indians under the supervision of this agency, as requested by Circular 448.

It has been impossible for us to make out a correct census, because of the fact that the allotment rolls which were furnished us do not in all cases give the sex and family relationship of the Indians, and family history cards for some of the allottees have not been placed on file in this office.

We have, however, made a fairly accurate census so far as it goes. The names of 115 Indians have been omitted, for the reason that it was impossible to ascertain anything except their names and ages from the allotment rolls submitted by George A. Keepers, Special Allotting Agent.

There are many births and deaths that are not, because the Indians have failed to report these facts to this agency.

Very respectfully,

*S. F. Stacher*  
Superintendent.

BPS.

The number 2684 does not appear on this roll because of duplication of number 2294.

The above roll is substantially a copy of that dated July 20, 1910, with exception one name added by birth and three dropped because of death that have been positively identified.

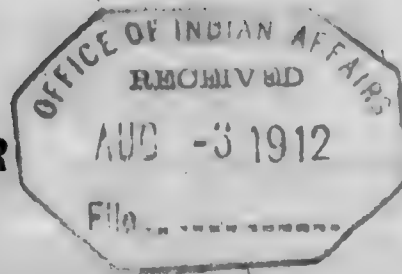

There have been 37 deaths and 39 births reported which have not been regarded in this roll because it has been, so far, impossible to identify them. Some of them were probably never ~~xxx~~ allotted or enrolled, as it is known that many Navajos within this jurisdiction have never received allotments.

Effort will be made to procure a more nearly perfect roll for the next report.

Forwarding  
Census Roll  
for 1912.

Pueblo Bonito Indian School,

Crownpoint, N.M., August 1, 1912.

The Commissioner of Indian Affairs,  
Washington, D. C.

Sir:

I have the honor to forward herewith the census roll of  
Indians within this jurisdiction for the year 1912.

While this is the first numerically correct roll prepared  
as to present numbers, the numbers of the last roll were not all  
entered because of the irregular arrangement and indistinct copy.

Very respectfully,

*J. P. Stacker*  
Superintendent.

Incls.
